Clients Comments

Please provide any comments about your hair or any information you want to tell us about the product you are seeking:

Clients Hair Sample

Attach your hair sample on the box shown below.

Hair Sample Instructions:

Sticky tape a sample of your hair to this box to the right. Provide a sample that best represents the colour of your hair from between your ear line and end of your hair. Ideal hair sample is 3/4 pen/pencil thickness and 1 inch (2.5 cm) long.

Disclaimer: Our free colour analysis service does not guarantee a perfect match of your hair. We can only provide the closest colour to the sample hair provided from the hair manufacturer you wish to purchase.

Return Address

Return completed form together with your attached hair sample to:
